General

I met with Maged to discuss the OTD and Skyway grades.

Taher informed me that he has been talking to John Walters to help him out.

I emailed John Walters to send an ALR for Taher and Mulu.

I met with Deanna to sign the Material Certification for the West Approach. I also handed Deanna a copy of Rod's employee separation clearnace form (PM 0207). She agreed to check it over.

MCM attempted to release the Skyway WB jacks, but they had a problem and could not do it.

Amer, Mehran and I were off to FCI's job on the 92 to look at the Class I Finish.
